*Ido* That Leads to the Forest
That Leads to *Ido* 3

This manga is based on the Prologue Maxi **Ido e Itaru Mori e Itaru Ido** and the 7th Story CD **Märchen** by the fantasy band Sound Horizon
The adaptation has been done according to the author's,
Torikai Yasuyuki, interpretation on the original stories
Sound Horizon cherishes each person's own story interpretation
I would be honored if you could enjoy the world presented in this work as one interpretation among many others.
